Dear Ms. Miller:

On May 9, 2001, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your May 24, 2001 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-On December 26, 2000 you transferred \$213,875 to the Committee to Elect Gary Miller and \$40,000 to Miller for Assembly. Both are noted as being Authorized Committees. A transfer of funds from a candidate's authorized committee to another authorized committee of the same candidate is prohibited if the transferor committee has net debts outstanding at the time of the transfer. 11 CFR § 116.2(c)(2). At the time of these transfers your committee reported net debts outstanding of \$157,500. You should request a refund of the amount necessary to repay any outstanding obligations owed by your federal committee. Please note that the refund of an impermissible transfer would not be a violation of the Federal Election Campaign Act and Commission Regulations. Refunds should be reported on Schedule A, supporting Line 14 of the Summary Page. Please clarify any corrective action taken with regards to these transfers.

Although the Commission may take further legal action, prompt action by you to obtain a refund of the prohibited amount will be considered.

An adequate response must be received at the Commission by June 20, 2001.
